FRIENDS,

Sometimes, the power of the Gospel can be clouded by the divisions in our culture and by the failings in our Church.

St. Vincent De Paul once wrote, “Some people look but never see. Others see but never look”.

There are those who are quick to point out problems, but don’t recognize that they too can help. Others know they have skills that could help address a problem, but don’t step up to share their talents.

In a time when it would be easy to be discouraged and do nothing, you courageously looked and saw the plight of those in need. And by your outpouring of love and commitment, they saw the face of Christ in you.

God bless you for your kindness and respect to those in need.

Yours in Christ,

John Foppe
