FRIENDS,

When you look at the numbers in this report, I want you to think of the people who were impacted by those figures.

A child who's able to sleep in a warm bed. A family keeping cool during the sweltering St. Louis summers. A grandmother getting the lifesaving medication she needs. A father able to return to work, thanks to his newly repaired car.

Each of these blessings and more were possible by the grace of God and by your generosity. The impact your donation has made on our communities has brought comfort and hope to those who truly needed it.

With thanks,

A handwritten signature in black ink that reads "John P. Foppe".
