

YOU'VE HEARD HIS CALL TO HELP OTHERS.

... IS IT TIME TO ANSWER? ...

Engaging the Parish Communications Manager(s)

A comprehensive packet of advertising materials has been prepared to support the conference's membership growth campaign.

That packet includes attractive full color advertisements that have been designed for use in the parish bulletin, as well as in any of the other communications and social media platforms that the parish is using to communicate with parishioners. Among those might be:

- Bulletin
- Facebook
- Twitter
- Instagram
- LinkedIn
- FlockNotes
- Constant Contact
- MyParish App

When making arrangements with your parish for the publication of these advertisements, it is very important to ask to have them published regularly (weekly) throughout the 8-10 week period that the Conference will be conducting the membership growth campaign in all of the various communications platforms that the parish utilizes.

Someone in your parish is responsible for these various media platforms that the parish utilizes. Please check with them to determine what format they need for the ads. If they need any assistance using the provided ad formats, please contact Elizabeth at the Council Marketing Department at (314) 881-6022 or elizabethh@svdpstl.org.

Also, once the ads have been published on various social media platforms, share that information with Conference members and friends, and encourage them to "share," as well!
