"I Will Make You a Light to the Nations."

It is too little for you to be my servant, …
I will make you a light to the nations.

Isaiah 49:6

We find this passage in Isaiah in one of the suffering servant songs; we see this prefiguring Jesus, our Lamb of God, who lights up the world by forgiveness of our sins and the sins of the world.

As Vincentians, we are often reminded how important it is for us to bring the light of Christ to our Neighbors in Need by doing all we do, empowered and reminded by the forgiveness of Christ which sets us free. As a Vincentian priest, I took vows of poverty, chastity and obedience in 1972. But I have never lived a moment of my life as someone who is poor, though I embrace through my vow a simplicity of life.

I have had to learn many times over that my assumptions and expectations born of my blessing of financial stability and security can lead to an inability to understand the behaviors and choices of those who live in poverty.

I remember the smile I received after waxing eloquently with a couple about the "how" and "why" of budgeting as they informed me

their problem was not an inability to appreciate budgeting, but their problem was not enough income for the necessities of life. Did they make dubious purchases? Almost certainly. But I recall the kindness they showed as they forgave me my assumption that they needed to be better. Their forgiveness of my presumption was a bright light to me.

Please let our Neighbors in Need light up your lives too.

All throughout the year of 2020, we'll be incorporating the celebration of our 175th anniversary in our marketing efforts, events, materials and advertisements. We have many fun and exciting developments planned this year, some of which have already begun, like unveiling our new logo and sharing our SVdP history in our newsletters, on our website and through social media.

Some other things to look out for this year that celebrate our heritage are:

- TV commercials
- Print ads in the *St. Louis Review* and *St. Louis Catholic Magazine*
- Potential news stories in local newspapers
- The Vincentian Spring Assembly: *Bringing Frederic Ozanam’s Vision Into 2020 Focus* (see details above for how to register)
- Thrift store celebrations

For now, you can take a look at one of our *Vincentian newsletters from 1993*! Newsletters then (titled *The Vincentian Leader*) were printed and mailed to all Vincentians, a big difference from our emailed *Society Scoop* today!

Click the image to the right for a closer look at *The Vincentian Leader* and see if you can spot any similarities between the Society's efforts from 30 years ago and our efforts today.

**Voice of the Poor Committee**

**VOP Committee Advocates for Policies that Promote Intact Families**

As Catholics, we recognize and promote the family as the fundamental cell of society. The USCCB, in laying out the seven themes of Catholic Social Teaching, states that "Marriage and the family are the central social institutions that must be supported and strengthened, not undermined." In 1986, Pope St. John Paul II highlighted the central role of the family in society: “As the family goes, so goes the nation, and so goes the whole world in which we live.”

We are proud to announce, therefore, that promoting intact families will be one of the five Voice of the Poor legislative priorities in 2020. The Voice of the Poor Committee will support legislative policies that encourage intact families and oppose those that do not. While we are aware of the sad reality that not every marriage will be successful, we cannot ignore the indisputable link between poverty and the breakdown of the intact family.

Tidbits from Elizabeth Barbieri

“Just a reminder to our conferences to invite new members - a social gathering is the opportunity for you to talk about the Society - the work we do, the Catholic values we share, and the friendship with each other. Plan your events for 175th Birthday Year.”

February 7 - Feast Day of Blessed Rosalie Rendu

Frederic Ozanam Mosaic Dedication

On Jan. 26, Mass at the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C. was dedicated to the 175th Anniversary of SVdP.
In his homily, the Holy Father evoked Sister Rosalie’s name. He stated, “The bonds among the members of the Vincentian Family have been strong since the origin of the Society because it was a Daughter of Charity, Sister Rosalie Rendu, who guided the young Frederic Ozanam and his companions toward persons who were poor in the Mouffetard section of Paris.”

Afterwords, the brand new mosaic of Blessed Frederic Ozanam was blessed by Bishop Donald J. Hying, Episcopal Advisor to the Society.

The celebration was live-streamed and is available to watch by clicking below.

ServWare Update

As you may know, ServWare implementation is well underway within the Conferences. As we continue to progress further with ServWare usage, we want to share some updates from your fellow Vincentians on how ServWare has benefited their Conference!

If you want to share your story about ServWare, please email Tom Matoushek (tomm@svdpstl.org).

From Seven Holy Founders...

It further shows the dedication of our Vincentians to each individual NIN. Servware allows us to take the time to input the information accurately, so that we can give aide to those who need it and when they need it. Great system!

Barb Buhmann

From St. Norbert...

St. Norbert's is moving aggressively toward transition to use of ServWare for their data storage and coordination needs. Starting in Nov. 2019, all new client and updated client data will be entered into ServWare. The majority of Conference members have provided accounts and have begun experimenting with the ServWare system.

Douglas Oberlin

From St. Anselm...

The St. Anselm Conference began using ServWare as one of the five pilot Conferences in April 2019. In the past 10 months our Vincentians have recorded over 260 home visits in ServWare. ServWare has had a number of positive implications related to our Conference’s operations and communications.
