Join the St. Vincent de Paul Young Adult Conference!

Needed . . . young adults to make a difference for Neighbors in Need!

Join the St. Vincent de Paul Young Adult Conference!

The founder of SVdP, Frederic Ozanam, was a college student himself when he started the Society. Young adults are a key part of the transformational work that the Society is doing in our area. This is an excellent time for them to grow in fellowship and in their faith as they volunteer to serve those in need.

For more information, please email Bryan Kirchoff at bryankirchoff@att.net

Vincenian Meditation

Many in our community know the Society for its home visits, stores, and other charitable activities. And Vincenians know that the primary purpose of the Society is increasing the holiness of its members (Manual 2.5). Did you know that our Vincenian vocation goes even deeper than that?

From Manual 2.1: “The Society’s special ministry of aid to the needy should be seen in the broader context of the Church’s saving mission and understood as part of it. The Church, like the Lord Jesus, exists to announce the coming of God’s Kingdom, to be a sign of its presence in time, and to usher in the Kingdom of God through various good works. The Church’s mission is to bring the Gospel and holiness to all and to transform and renew all creation by making present Christ’s redemption.”

In our lives, as well as those of our Neighbors, we are called to nurture not only the material dimension but the spiritual and moral dimensions—especially when there are poverties. We are called to build a civilization of love.
